Paradigm Trends is offering an extensive new assortment that conveys modern and on-trend design all at an affordable price point. This assortment that our designers curated has provided new categories, fresh silhouettes, materials, and finishes that will make your guest room noteworthy.

BATH COLLECTIONS

As the experts in bath we have endless options to cater to a wide variety of decors.
Mixed metals and materials, varied textures, muted styles:
these categories and so many more, are what Paradigm Trends is comprised of.

A collection of modern bathroom accessories is displayed on a grey stone surface against a white marble tile wall. The items include a large brass tumbler, a blue square container, a brass pump dispenser, a dark grey cube, a wooden cylinder, a white jar, a red tray with three green bottles, and a black soap dish with a white bar of soap. The arrangement is composed of various materials and textures, including metal, wood, glass, and stone.
